PROFESSIONAL PARTNER PROGRAMME

Art Acquisition & Rental Programme
— Offer applicable to Limited Edition works —

WHY CHOOSE TO RENT?

ABOUT THE PROGRAMME

Flexibility

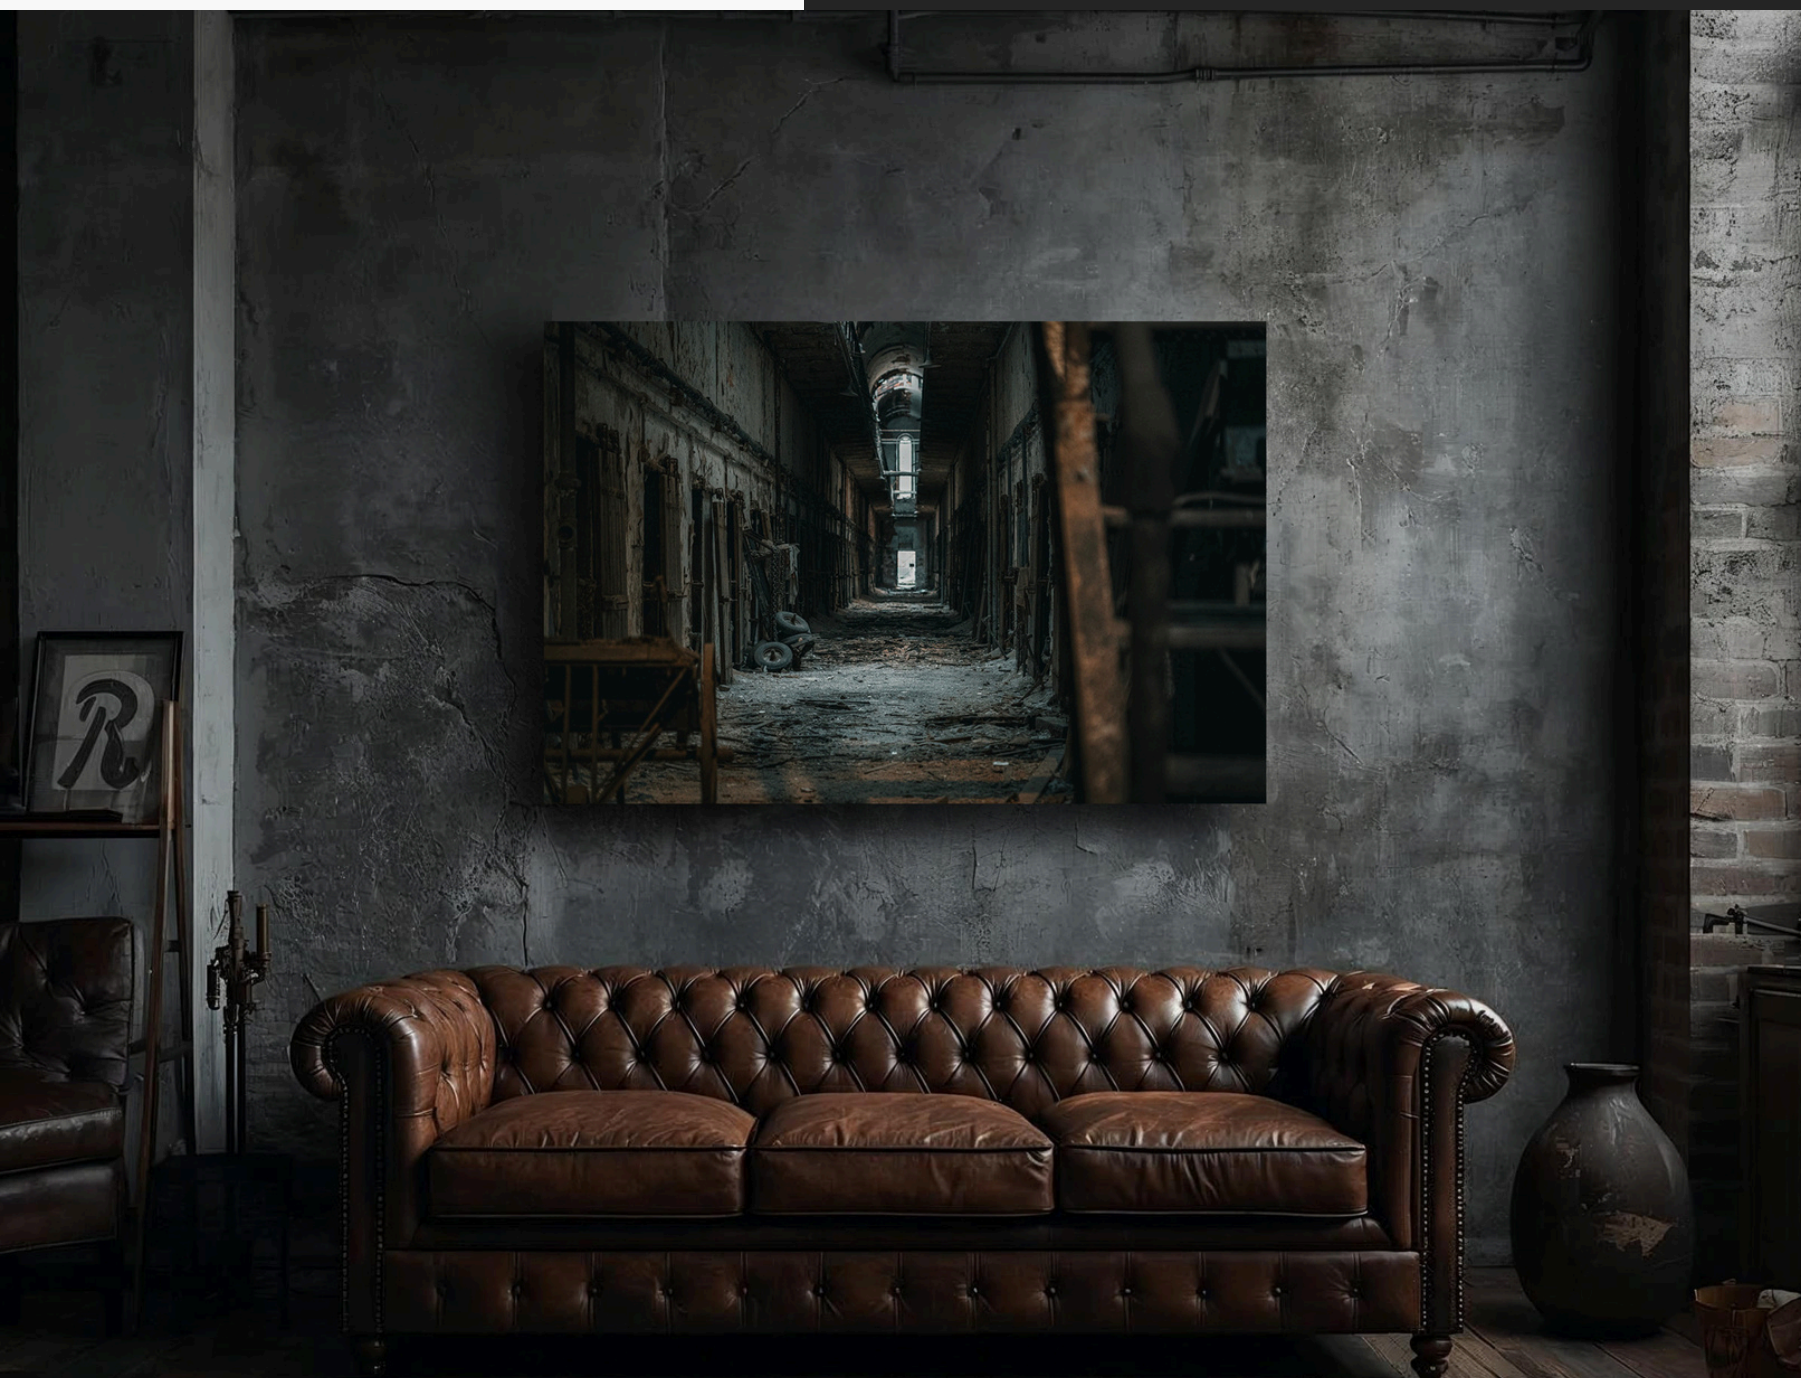

No need to commit to a purchase immediately. Try the artwork in your own space and decide if it fits your interior long-term.

Investment value

Our limited edition, appraised works have an expert-assessed value of €1,200–1,500. 50% of the rental fees and the full deposit can be credited toward the purchase price.

Tax advantage

Rental fees are generally tax-deductible business expenses — unlike a one-time art purchase. Please consult your accountant.
